

President's Notes

April 2009

Another year had gone! Wow, this year has been amazing on so many fronts. The majority of our fundraising events have exceeded their goals at a time when individuals need assistance even more due to the tough economic cycle.

I want to thank each and every one of the NWC members for all their contributions during the year. Whether or not you chaired an event, was a member of a committee, or event if you simply attended a few of the functions we sponsored – thank you. Our 50th Anniversary Year was a great one to be part of.

Next year promises to be just as exciting. I will be continuing as President for one more year and I will be looking for quite a bit of help to try and make next year just as successful as this year has been. If you have not yet signed up to be part of a Committee, please look at the list attached and see which event(s) you would be able to contribute towards. Let's be creative – no one says that every year has to repeat what was done the year prior. If you have a new idea for an event – please contact either myself or one of the members of the Executive Board and we can discuss it. Most of all let's have fun, let's drum up some community spirit and let's look forward to helping individuals and organizations who all need help.

I hope everyone has a safe and happy summer!

If you have any questions or concerns please feel free to contact me any time.

Warmest Regards,

Nancy L. Bailey
President
